Journal of Economic Perspectives—Volume 13, Number 4—Fall 1999—Pages 277–279

Index By Author to Volume 13

This index lists all material in the thirteenth volume of the Journal of Economic Perspectives. *Volume 13 includes Winter, Spring, Summer and Fall issues distributed in 1999. Articles in this index are listed alphabetically by last name of author. Each article is listed separately under the name of each coauthor; the listings that differ from the way the article originally appeared are marked with a star.*
